Mistley Cricket Club - Mission Statement

To maintain the highest level of cricket possible in a family friendly environment which involves all members of the community and to develop the clubs facilities to achieve this goal.

Over the coming years the club will be looking to;

- *Maintain its links with all the local primary schools that feed into Manningtree High School as well as Manningtree School itself.*
- *Work closely with both its local District Board & Essex County Cricket Board.*
- *Develop the Ladies team with a view to playing a longer format of the game in the Two Counties Women's Championship.*
- *Maintain the club facilities to the high level that all have become accustomed to at New Road and on the Welcome Home field.*
- *Maintain its current Clubmark Accreditation.*

GUIDELINES TO GOOD BEHAVIOUR

1. On the field of play the Captain is responsible for the behaviour of his team and should lead by example. All players should respect the dignity and tradition of the game.

2. Intimidation, aggressive behaviour and deliberate distraction of opponents are unacceptable. Competitiveness can be maintained without resorting to these tactics.

3. Dissent towards the Umpire is unacceptable. Remember, without him, the game cannot be played.

By working within these guidelines it is hoped that the players will continue to uphold the reputation of the club which generations of past players have worked hard to establish over many years.

At Mistley Cricket Club we are proud of our comprehensive and successful youth set-up. To ensure the game provides a safe, friendly and enjoyable experience for all children we have adopted the ECB safe hands policy. The Welfare of Young People in Cricket is a paramount importance to us and thus we are seeking to continuously improve the participation conditions for children and young people.

If you have any queries please do not hesitate to contact me:

Mistley Cricket Academy

Mistley is a club that puts youth development at the heart of its cricket. It is our goal to create as many opportunities as possible for young players to be exposed to the best possible level of cricket.

With this in mind we have developed our own Academy which is focused on helping players between 14 and 18 years of age to achieve their potential. The Academy takes on the most promising players every year and these individuals receive specialist skills coaching as well as one to one sessions to develop their game. The Academy is an addition to our existing junior development activities.
